

SWP-WebMonitor

Nahost/Nordafrika

Nr. 19/2023

SWP-Informationsservices

Jürgen Rogalski, 16.03.2023

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

On the Brink of Nuclearization, the Brink of War, the Brink of the Abyss

Assaf Orion

"... With Iran on the brink of nuclear capability and the Palestinian theater inflamed with a rising chance of escalation, Israel's government must now take difficult and fateful decisions. The decision to cross the legislative threshold – as well as the responsibility for the consequences of this move – lies solely in Jerusalem. Before any calamity, the government must stop, engage in dialogue, and deliberate again, for the sake of national security ..."
