

SWP-WebMonitor

Nahost/Nordafrika

Nr. 32/2022

SWP-Informationsservices

Jürgen Rogalski, 15.06.2022

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

> Autoritäre Herrschaft / Opposition

Opposition inclusion and exclusion in the Arab world: Evidence from a new dataset

Mahmoud Farag

"The literature on the Arab world is full of accounts on how authoritarian regimes manipulate the secular-Islamist cleavage to remain in power. This literature, however, has two gaps. First, there is no comparative data on the regional patterns of inclusion and exclusion that characterize regime-opposition relations in the Arab world. Second, studies usually do not account for the different shades of secular and Islamist groups. ..."
