Nahost/Nordafrika

Nr. 47/2022

SWP-Informationsservices

Jürgen Rogalski, 05.08.2022

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

Promoting Peace and Democracy after Nonviolent Action Campaigns

Jonathan Pinckney

"... the initial breakthrough of a nonviolent action campaign is no guarantee of a future peaceful democracy. Political transitions following nonviolent action campaigns are fraught with challenges, particularly related to the need to continue civic mobilization to shape a transition's trajectory and hold new elites accountable. Research to date has provided little systematic information on how civic mobilization evolves during these periods of political transition, or on how patterns of mobilization affect the possibility of democracy and the potential for transitional violence. ..."
