

SWP-WebMonitor

Nahost/Nordafrika

Nr. 61/2024

SWP-Informationsservices

Jürgen Rogalski, 20.09.2024

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

Marc Lynch, Jeroen Gunning & Morten Valbjørn

"This framing essay to the Special Issue on Islamists in Warscapes argues for the value of engaging with the concept of warscapes, developed primarily by anthropologists of violence in Africa, for theorizing about armed Islamist groups in protracted conflict situations. ..."
