

SWP-WebMonitor

Nahost/Nordafrika

Nr. 63/2024

SWP-Informationsservices

Jürgen Rogalski, 01.10.2024

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

Small state adaptation and relational autonomy: The case of the United Arab Emirates and South America

Robert Mason, Paulo Cesar Rebello

"From the Summit of South American–Arab Countries (ASPA) created in 2005, UAE–South American relations have continued to develop based on a combination of pragmatism, threat perception, political support and expanding economic interests. We argue that the strength of UAE engagement in this region is consistent with its attempts to build, deploy and benefit from soft power globally through economic statecraft in a mutually reinforcing series of bilateral and multilateral relationships. ..."
