

SWP-WebMonitor

Nahost/Nordafrika

Nr. 64/2022

SWP-Informationsservices

Jürgen Rogalski, 08.11.2022

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.
