

SWP-WebMonitor

Subsahara-Afrika

Nr. 46/2021

SWP-Informationsservices

Jürgen Rogalski, 09.07.2021

Der SWP-WebMonitor Subsahara-Afrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

Nonviolent Action and Transitions to Democracy - The Impact of Inclusive Dialogue and Negotiation

Véronique Dudouet, Jonathan Pinckney

"... presents statistical analysis of all political transitions after nonviolent action campaigns and case studies of transitions in Egypt, Tunisia, and Ukraine to show the importance of inclusion—and in particular the participation of women—to ensure both successful dialogue and that the outcome of that dialogue is a stable democracy. ..."

USIP, 07.2021, 40 S.

> Gesellschaft / öffentliche Meinung (Afrika)

The future Africans want - When optimism is power

E. Gyimah-Boadi, Joseph Asunka

"... As Africa prepares for a post-Covid world, we must take stock of people's lived experiences and expectations if we are to build back better. What are Africans' aspirations for their lives and those of their children? How are they thinking about the future and what can they do to shape it? What assets are citizens willing to invest to further their collective ambitions, and how can governments and development actors best harness them? ..."
