

SWP-WebMonitor

Subsahara-Afrika

Nr. 50/2021

SWP-Informationsservices

Jürgen Rogalski, 04.08.2021

Der SWP-WebMonitor Subsahara-Afrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

> Traditionelle Autoritäten / Demokratie (Afrika)

The democraticness of traditional political systems in Africa

Clara Neupert-Wentz, Daniela Kromrey & Axel Bayer

"Traditional political systems (TPS) are an important part of the political landscape in Africa. They govern subnational communities and differ from nation states, both in their institutional set-up as well as in their legitimacy. Yet, we have little comparative knowledge on these political systems and, in particular, whether they can be described as democratic. In this article, we analyse the democraticness of TPS based on a new expert survey. ..."
