**Presentation prepared for delivery at a conference on  
“Failed States: Stabilization and State-Building by External Intervention,”  
Berlin, Germany, June 13-14, 2004**

## Global Trends in Armed Conflict, 1946-2003

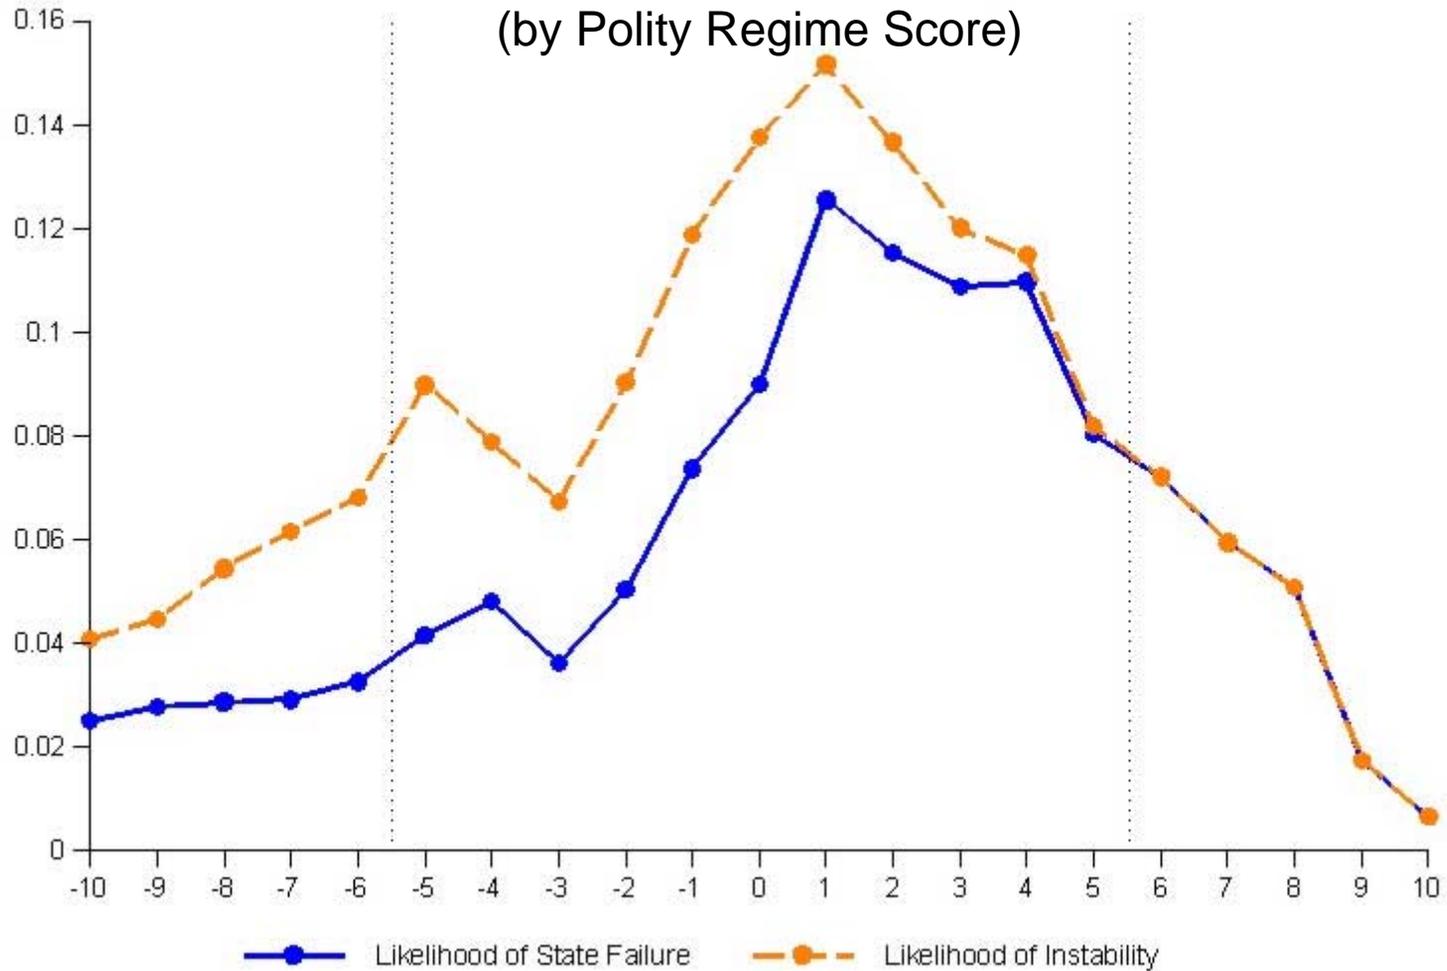

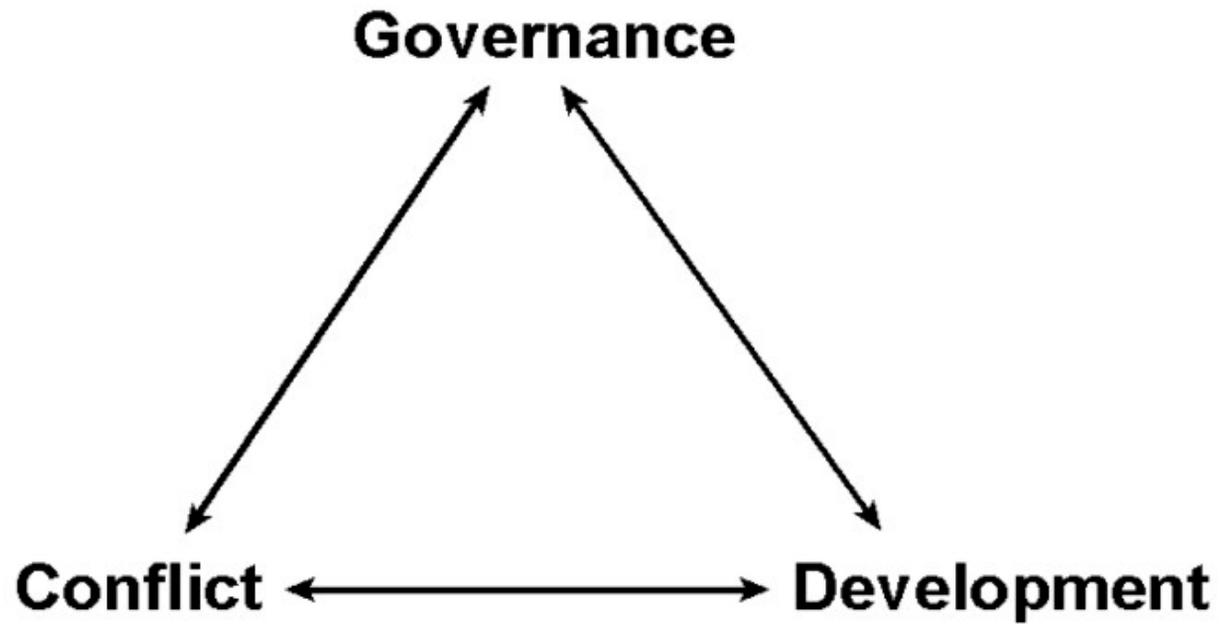

## Global Regimes by Type, 1946-2002

# General Likelihood of Instability, 1955-2002

(by Polity Regime Score)

# New State Crises since 1992

- Poor countries, mainly in Africa (14)
  - Zaire (DRCongo), Senegal, Gambia, Comoros, Niger, Nepal, Zambia, Congo, Lesotho, Guinea-Bissau, Haiti, Ivory Coast, Liberia, Central African Republic
- Mixed situations (5)
  - Egypt, Ethiopia/Eritrea, Yemen, Iraq
- Newly independent, former-socialist states (7)
  - Moldova, Russia, Belarus, Armenia, Albania, Cambodia, Yugoslavia

(59 new situations: 28 regime crises, 26 armed conflicts, 5 atrocities)

# Key Risk Factors for Global Instability

## Political Instability (formerly State Failure) Task Force

- **Onset of Major Armed Conflict:** Ethnic, Revolutionary, or Genocidal War
- **Adverse Regime Change:** State Collapse, Revolution, or Autocratic-Military seizure of power from Democratic regime
- **Weak Regimes (Autocracies and Democracies)**
- **State Discrimination against Constituent Group(s)**
- **Societal Underdevelopment**
- **Lack of Systemic Integration (Isolation)**
- **Bad Neighborhood Effects**

# Key Risk Factors for Islamic Instability

- Weak Regimes (Autocracies and Democracies)
- Bad Neighborhood Effects
- Communal Politics
  - Very low or high religious diversity
  - Sectarian Islam
  - Ethnicity as a salient factor in political leadership
- Societal Underdevelopment

# Key Risk Factors for Autocracies

- **Some political competition**
  - Rarely result of democratization
  - Usually new countries of recent backslides
- **Signs of Social Conflict**
  - Official discrimination or state repression of communal group(s)
  - **Anti-government demonstrations**
- **Lack of Systemic Integration (isolation)**
- **Bad Neighborhood Effects**

# Key Risk Factors for Ethnic Warfare

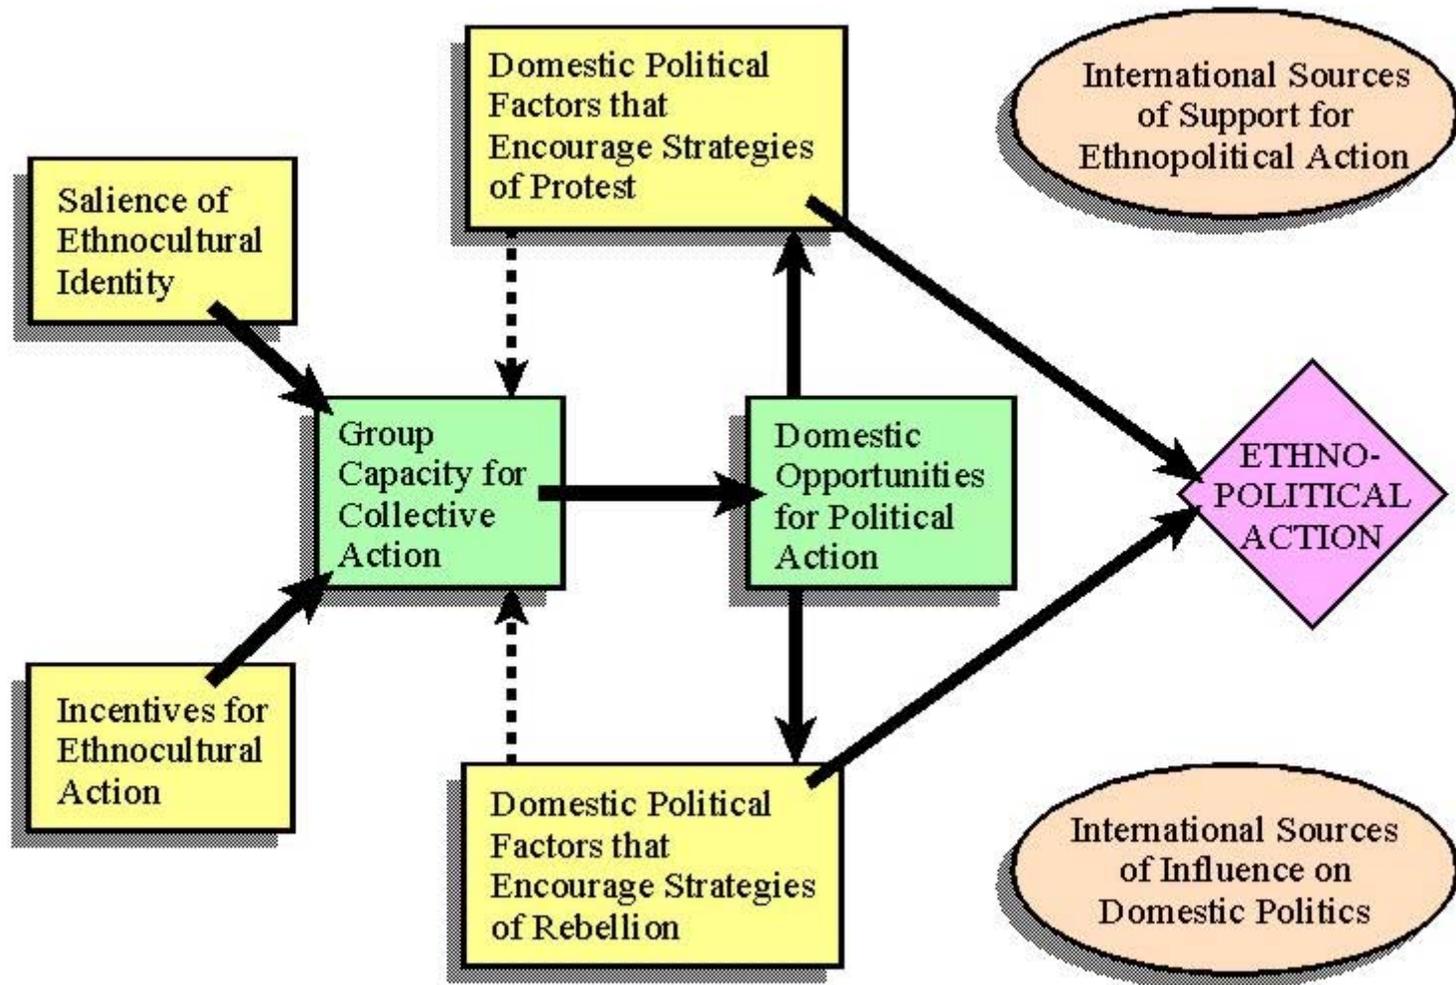

- Group Discrimination (official policies or state repression)
- Weak democracies
- Societal Complexity - Larger, more ethnically diverse populations
- Bad Neighborhood Effects
- History (Prior upheaval)

# Assessing Risks of Future Ethnic Wars

- Persistent Protest (5 or more years)
- Government Discrimination and/or Repression
- Territorial Concentration; Access to Refuge
- Group Identity and Organization (Elite Ethnicity)
- Regime Instability; Opportunity, Size, Complexity
- Support from Foreign Government(s) or Kin Groups
- Past Experience with Rebellion
- “Bad Neighborhood” Effects (General Insecurity)
- Qualities of International Engagement

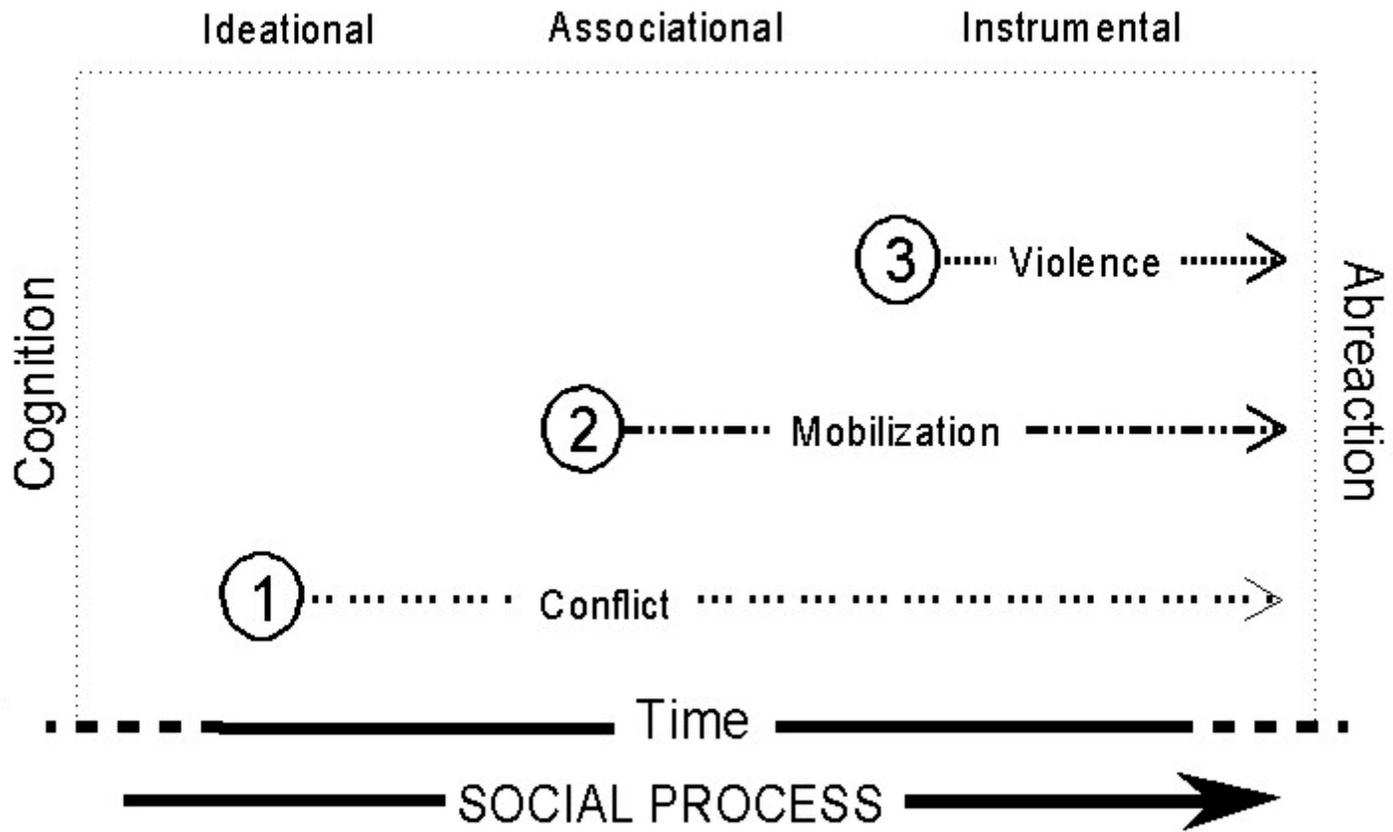

# Peace and Conflict 2004

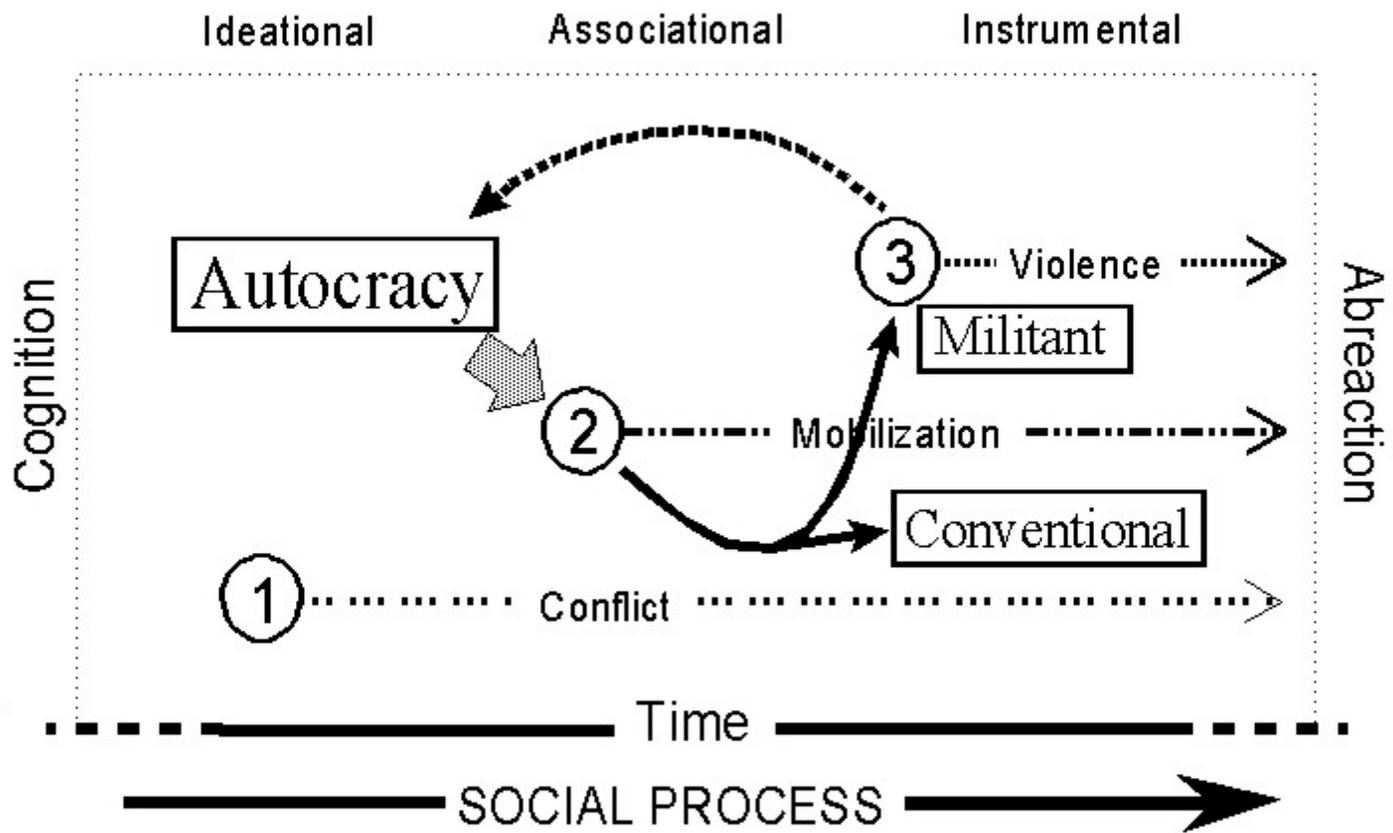

- Peace-Building Capacity
  - Human Security
  - Self-Determination
  - Discrimination
  - Regime Type
  - Regime Durability
  - Societal Capacity
  - Neighborhood

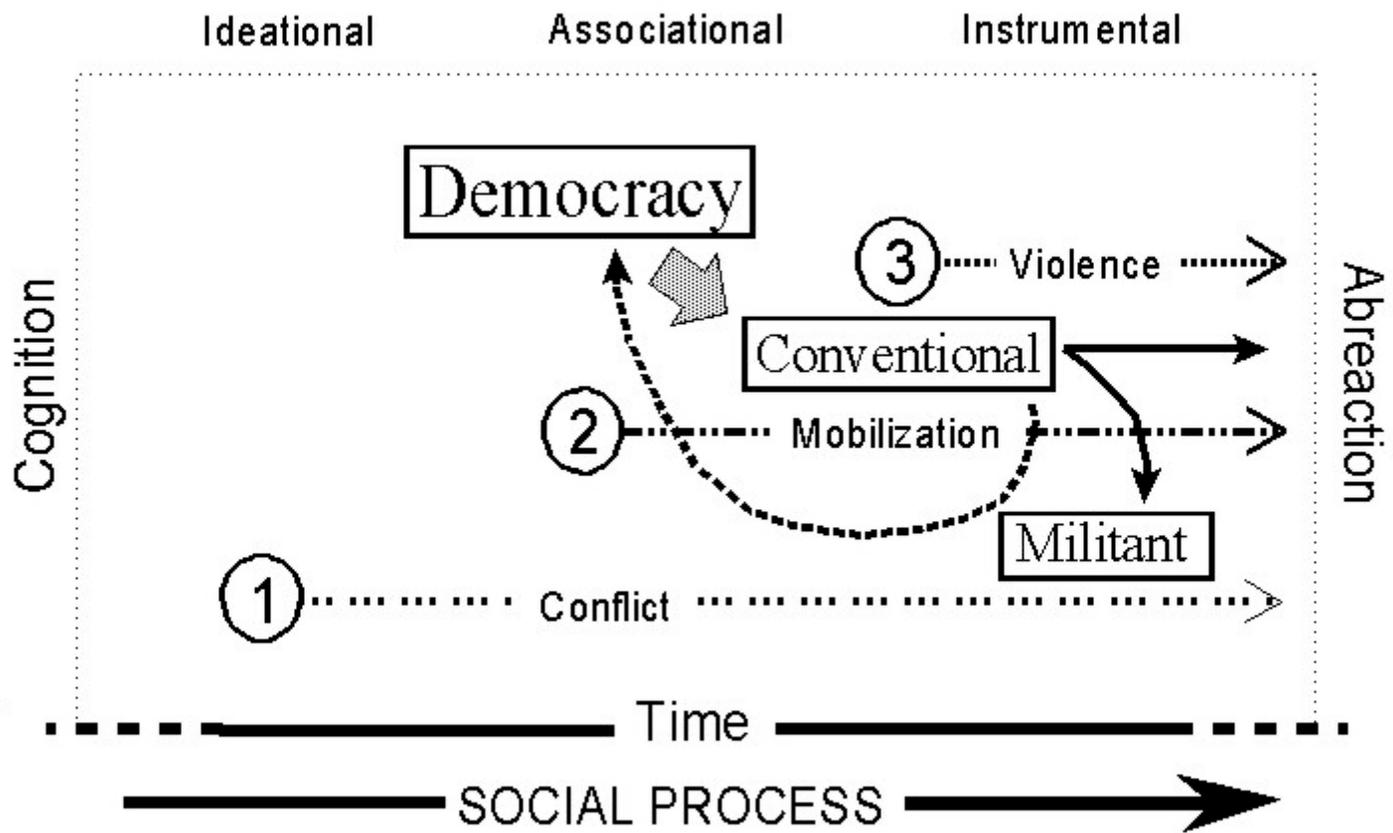

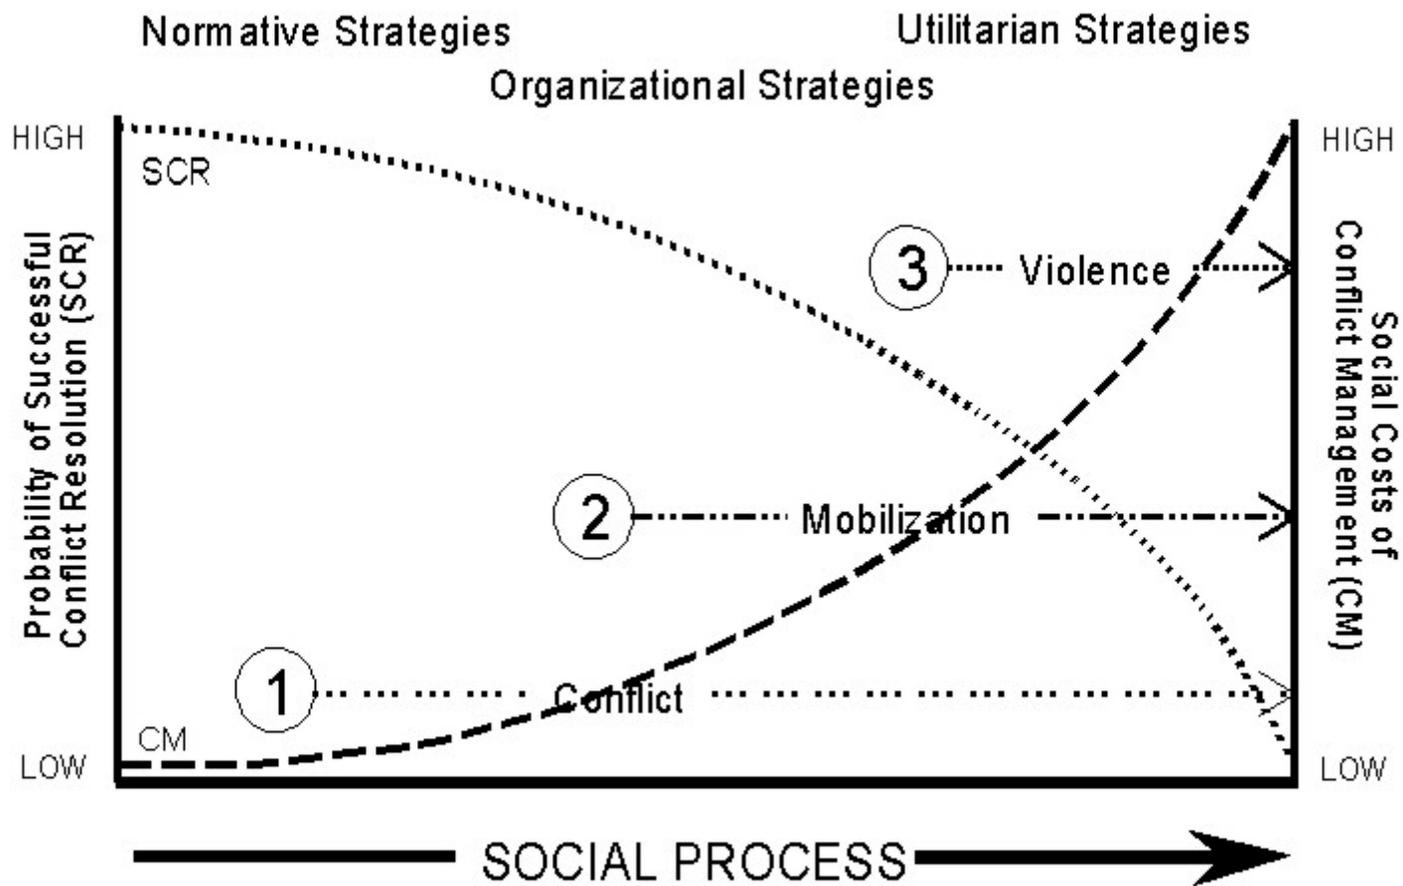

## Assessing the Risks of Future Ethnic Wars

# Regime Type and Social Conflict (factionalism and conflict)

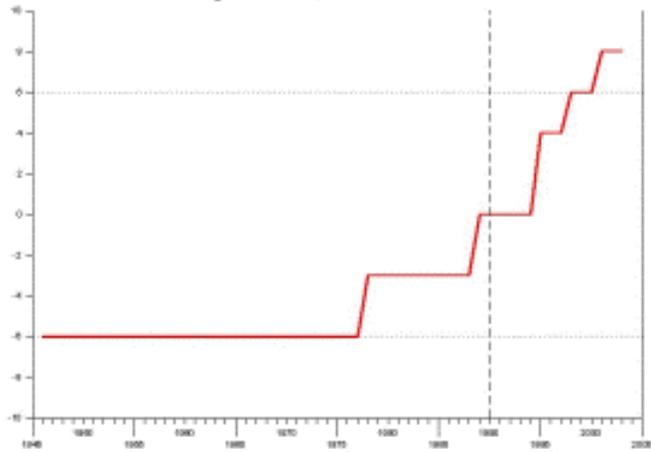

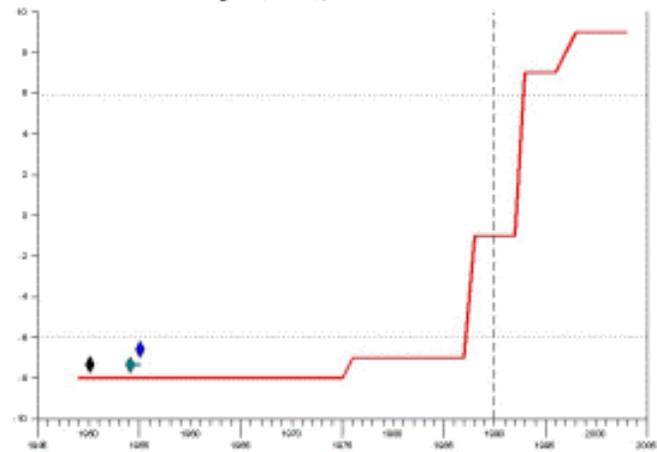

# Patterns of Regime Change

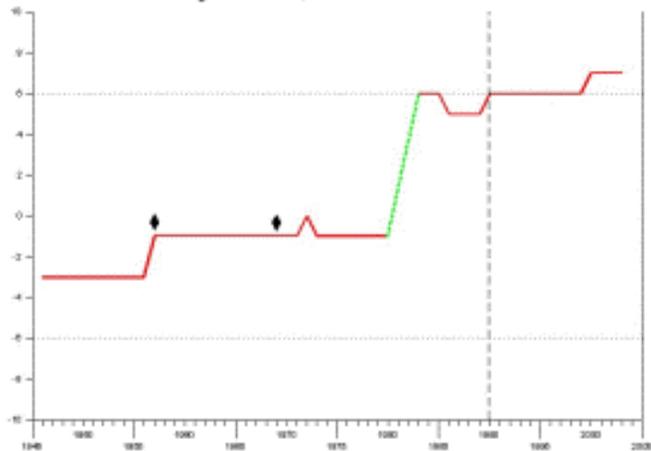

**Authority Trends, 1946-2002: Mexico**

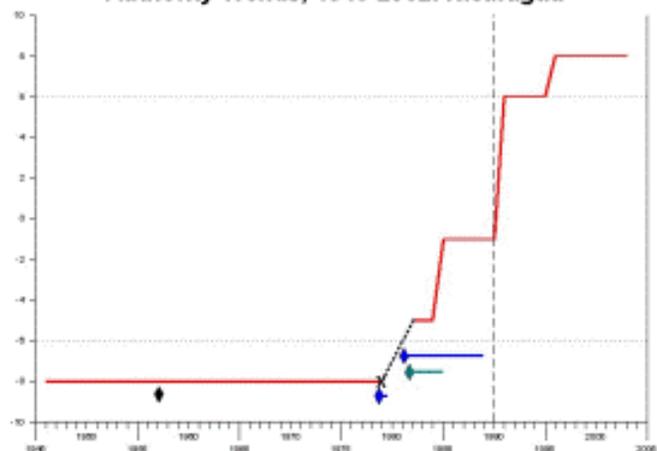

**Authority Trends, 1949-2002: Taiwan**

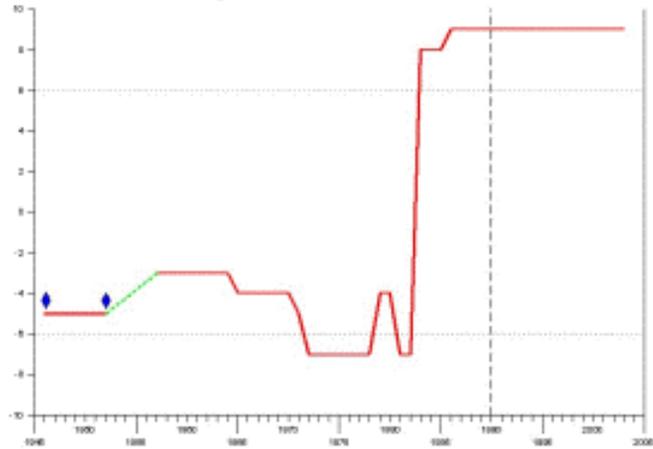

**Authority Trends, 1946-2002: Honduras**

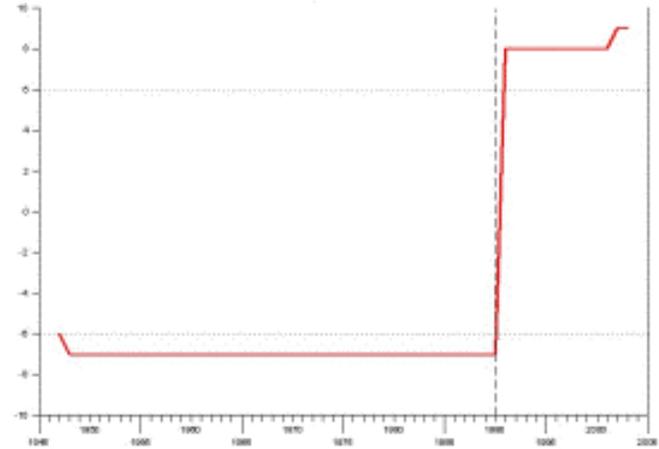

**Authority Trends, 1946-2002: Nicaragua**

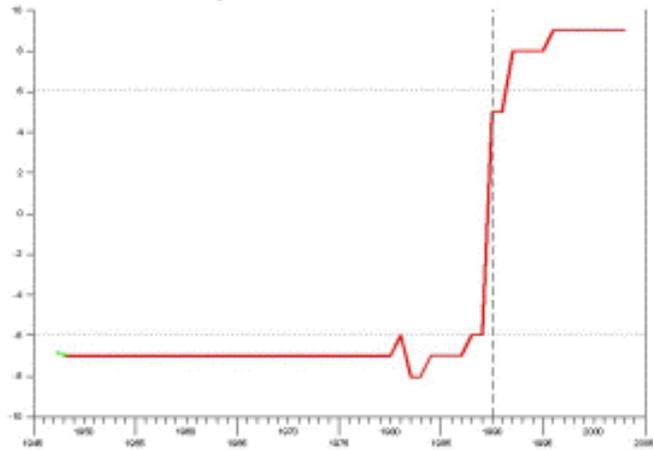

**Authority Trends, 1946-2002: Bolivia**

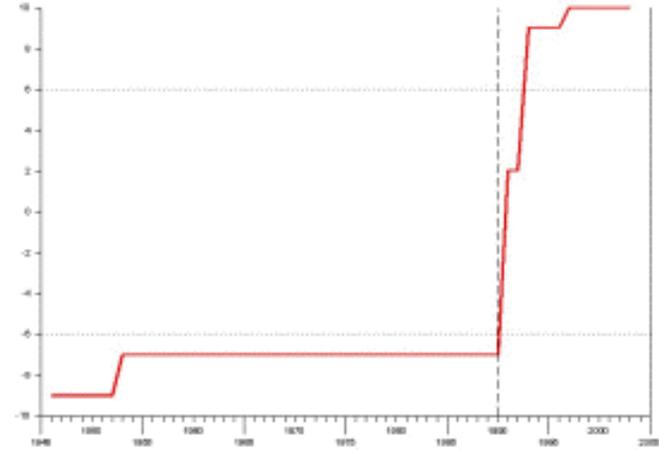

**Authority Trends, 1946-2002: Bulgaria**

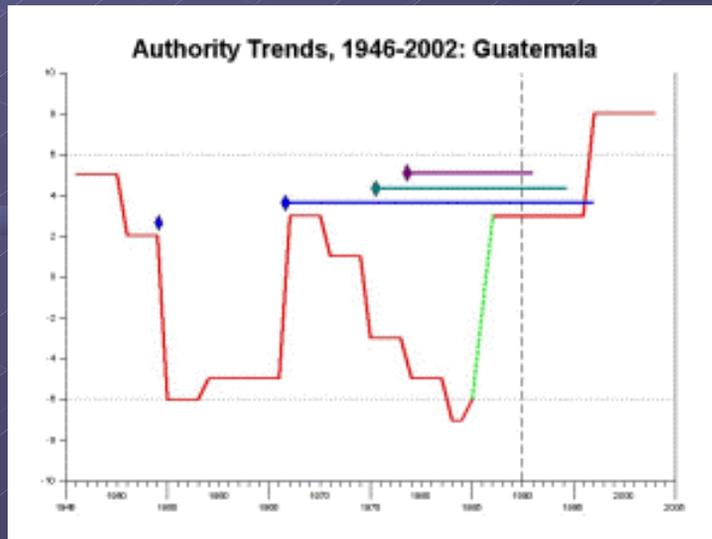

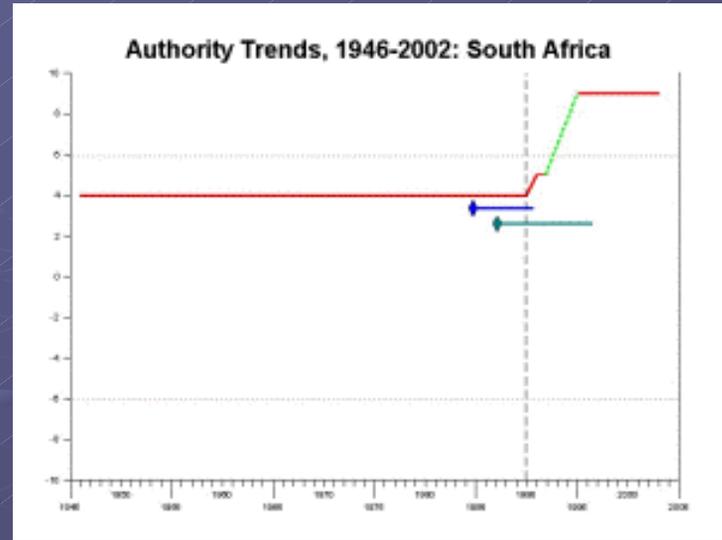

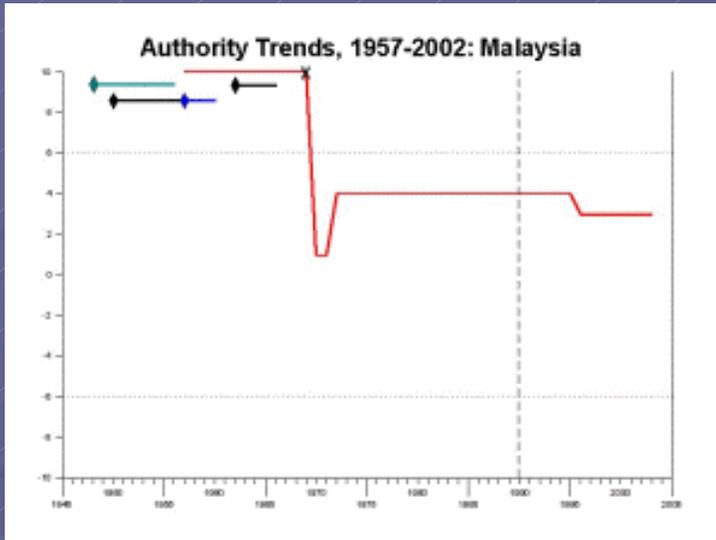

**Authority Trends, 1946-2002: Poland**

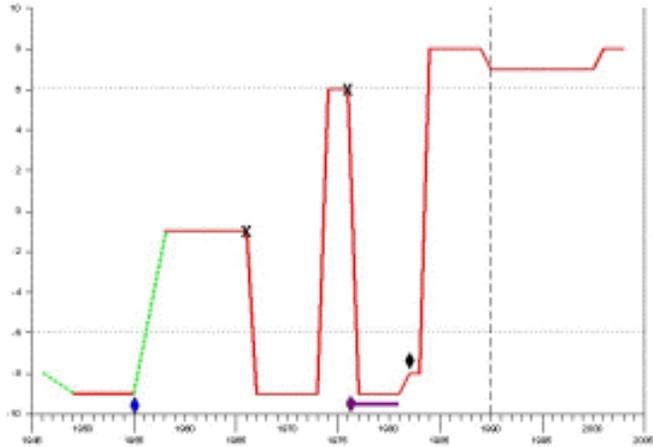

**Authority Trends, 1946-2002: Mongolia**

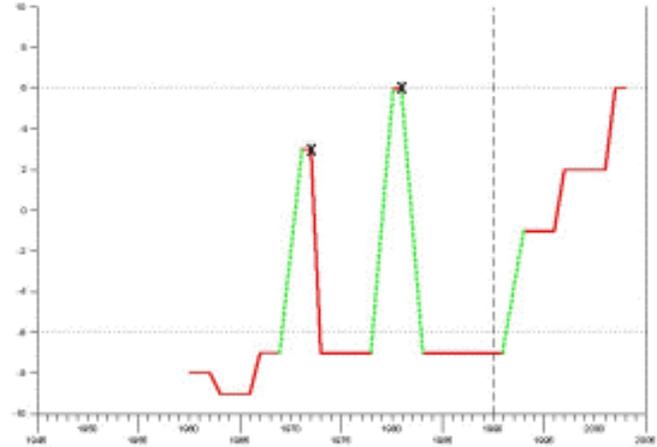

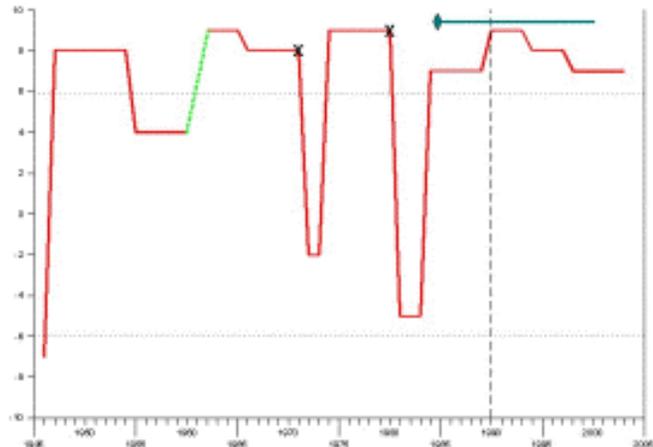

Authority Trends, 1946-2002: Argentina

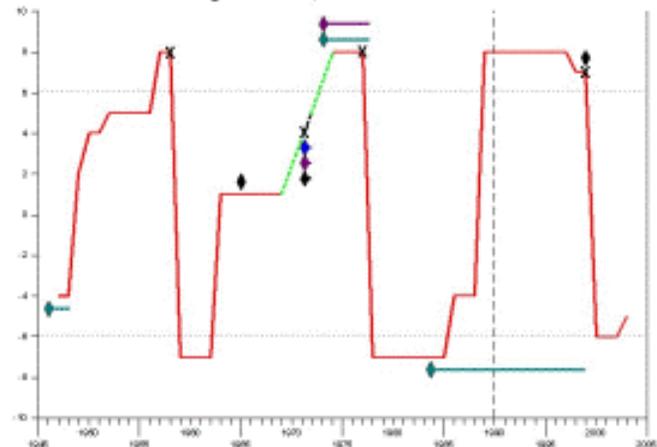

Authority Trends, 1960-2002: Ghana

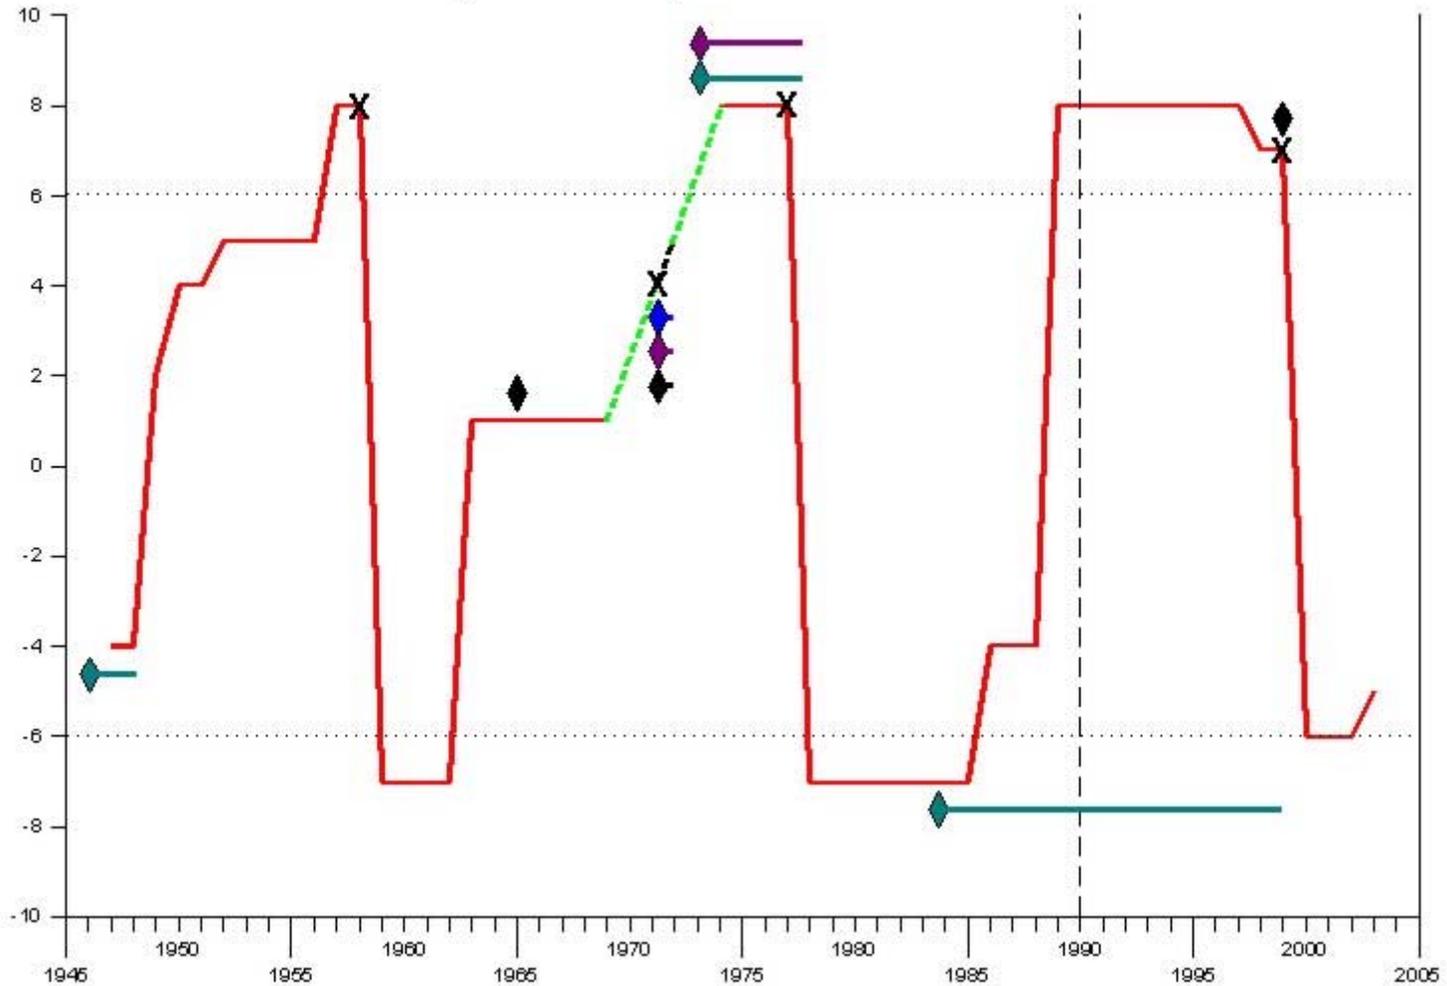

Authority Trends, 1946-2002: Turkey

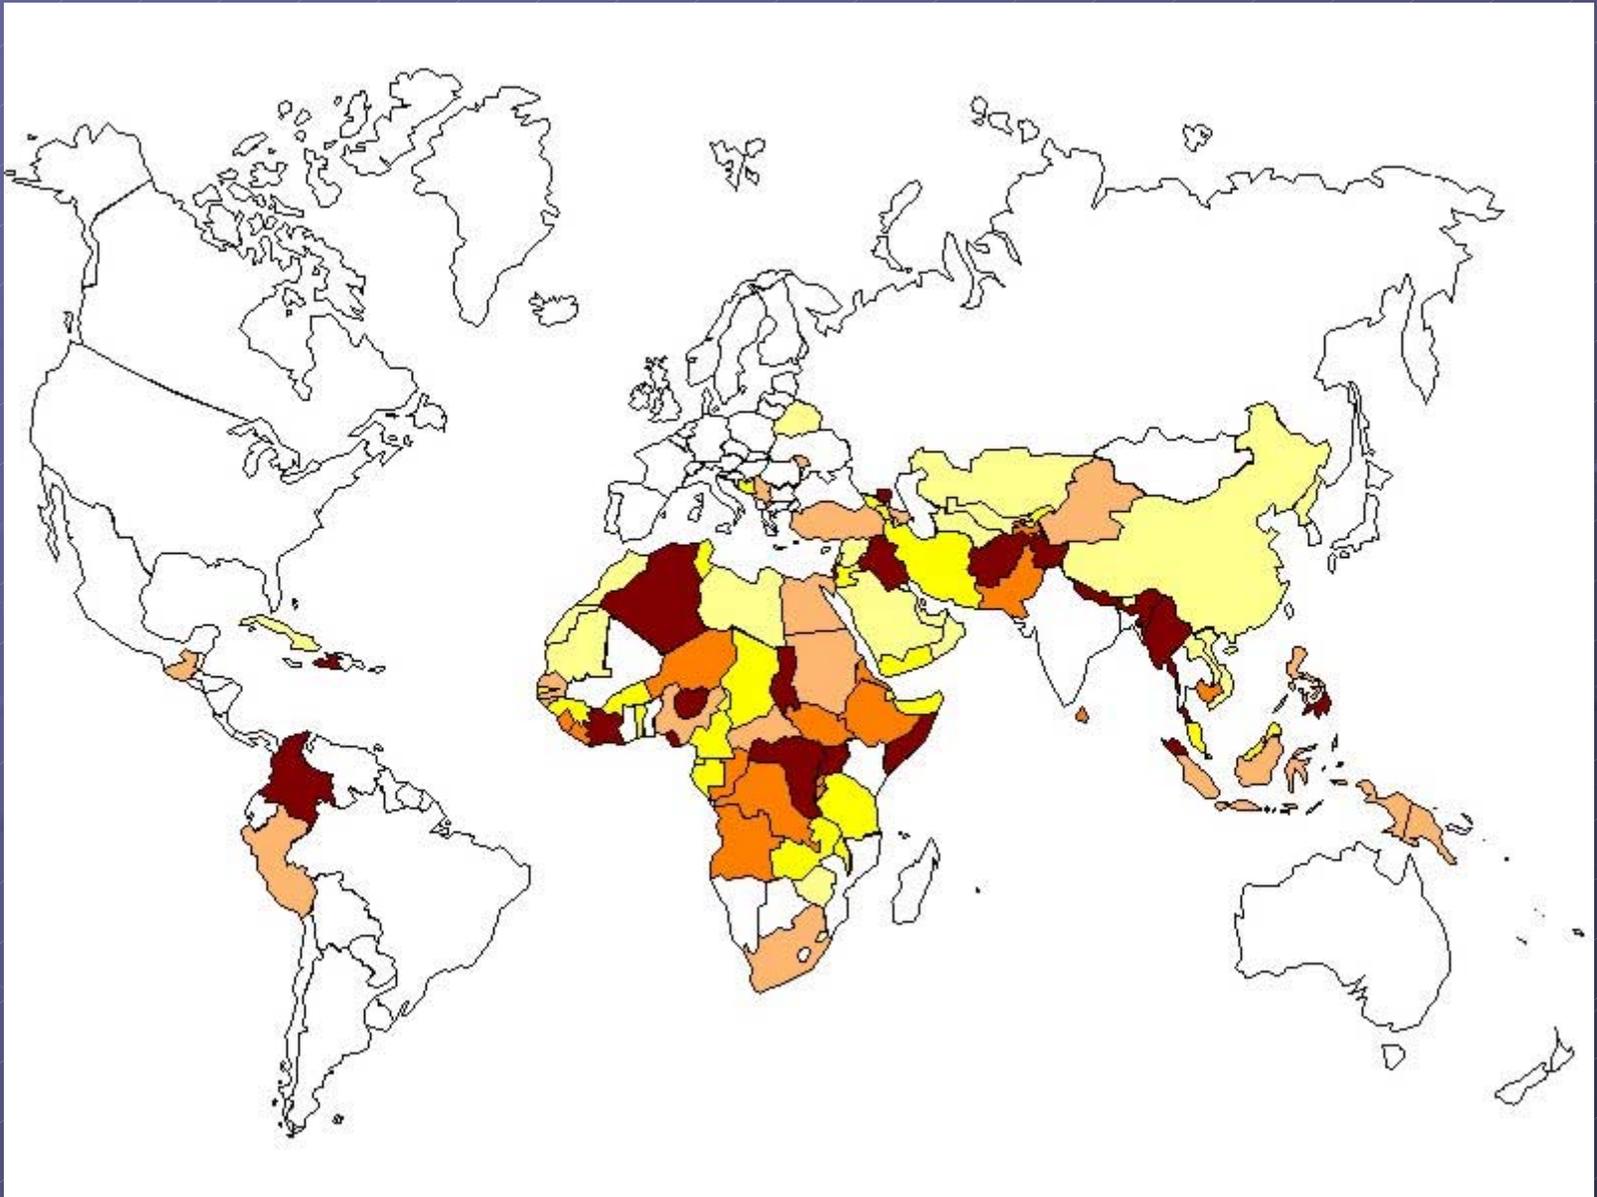

Authority Trends, 1947-2002: Pakistan

## Authority Trends, 1947-2002: Pakistan

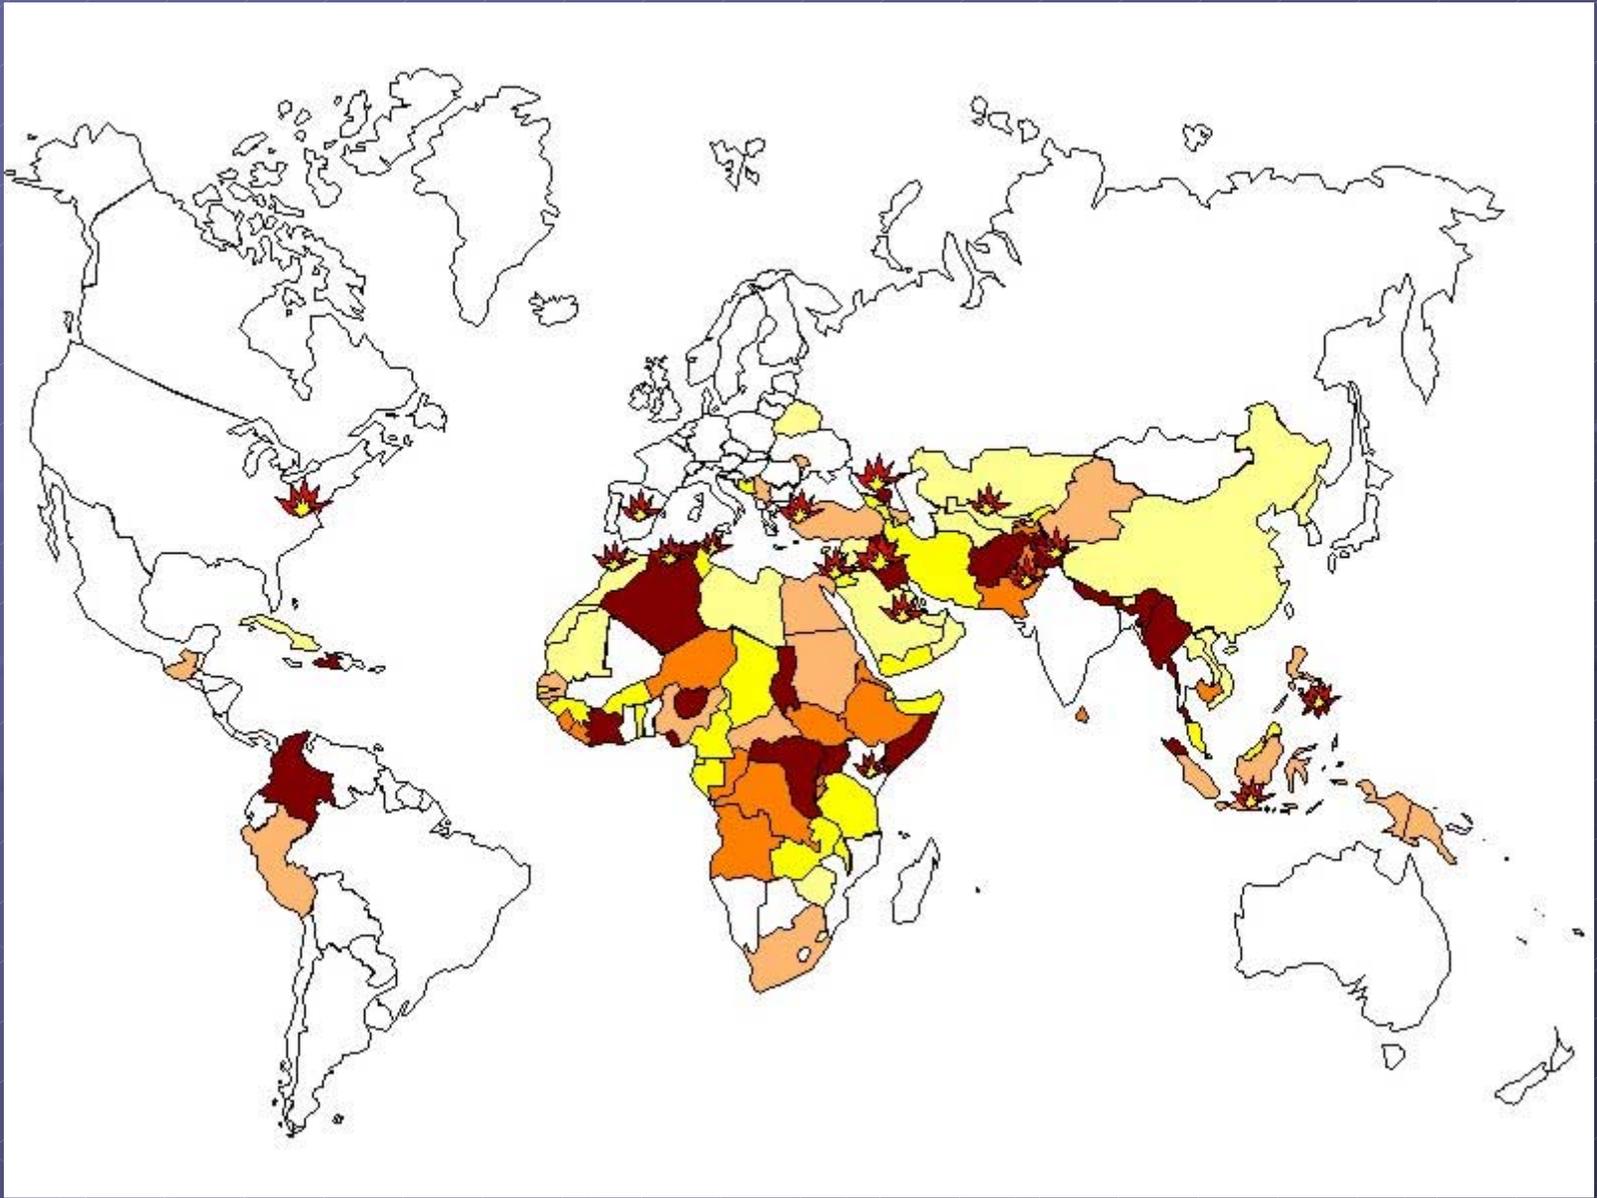

# Global System 2004 (Vulnerabilities)

**States Vulnerable to Political Instability in the Early 21<sup>st</sup> Century**

# Violence against Civilian Populations

- Exclusionary ideologies
- Militancy (strong executive; politicized military; militias)
- Restricted Human Rights (poorly formed societal networks)
- Societal Underdevelopment (agrarian; illiteracy, esp. no school)
- Societal disruption (factionalism; displaced populations)
- Protracted political violence
- Relative isolation
- “Status gap” (modern and traditional sectors)

# The End

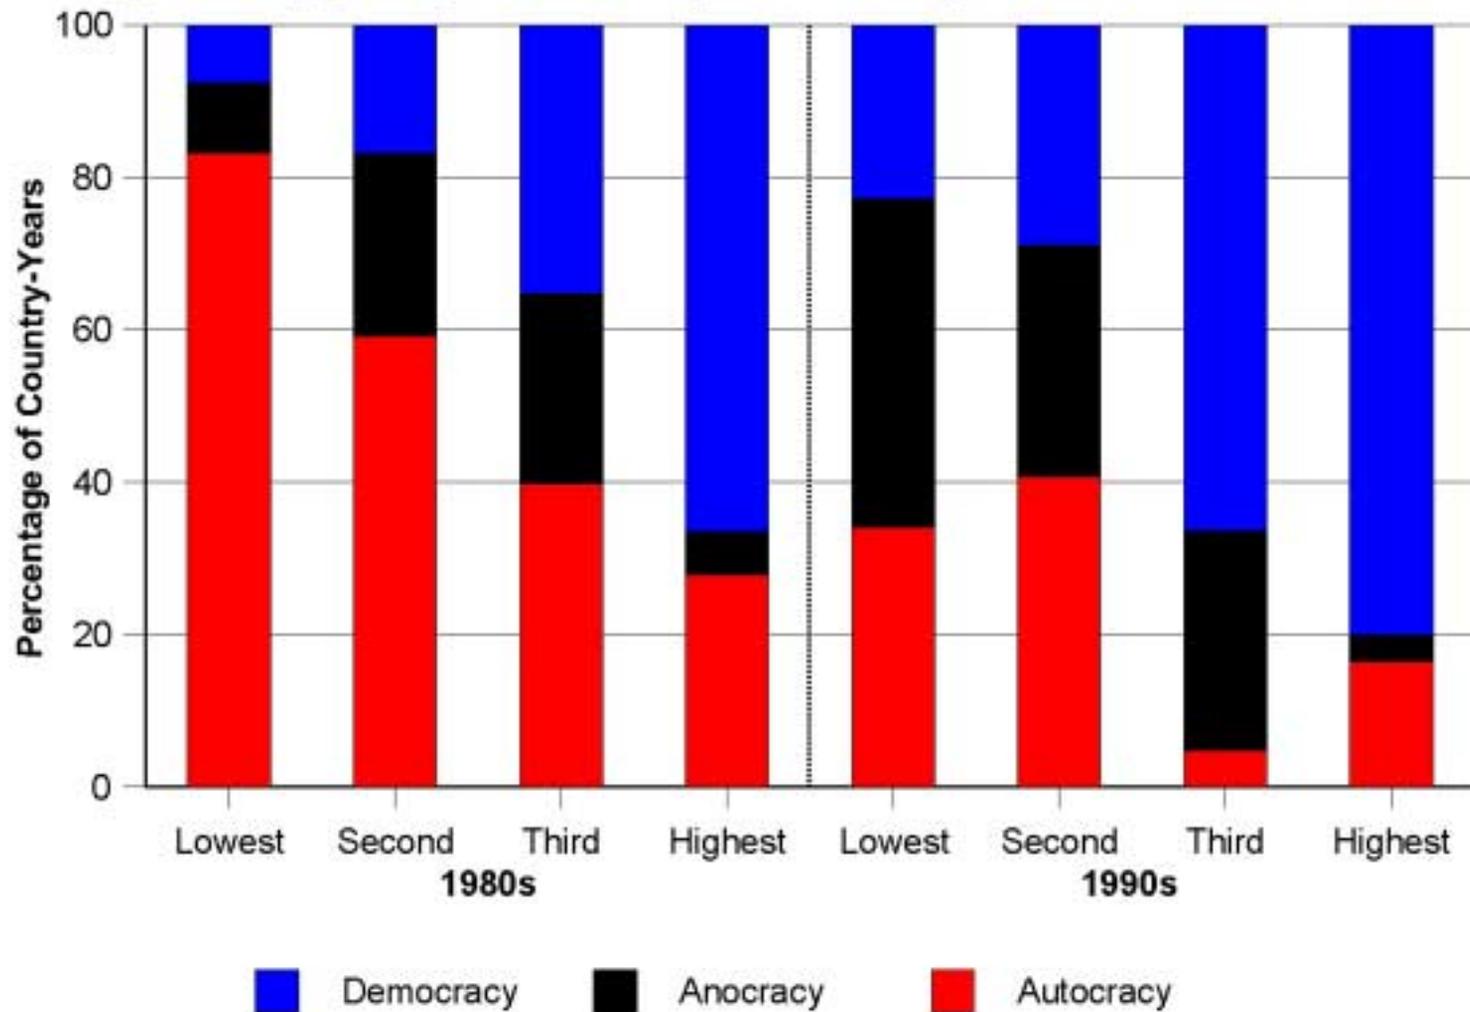

---
